Dear *Valued Customer*,

We here at Lamers Enterprise understand the multitude of tasks facing you each day, and we would like to alleviate some of that pressure by providing help in solving your janitorial and sanitary needs. On the back of this page is a small checklist that will help us to better meet your needs. By filling out this survey in no way does it commit you to purchasing anything, we simply wish to approach you with the right information to provide help in solving your janitorial and sanitary problems or concerns. Please just take a moment to fill out the survey and allow our salespeople to assist in providing helpful solutions to your janitorial and sanitary problems, Thank You for your time!

~ *Lamers Enterprise Staff*
